May 15, 2018

Dear Mr. Mitchell,

On May 7th a contract was awarded for the 2018 Salem Missouri Aggregate Seal Coat Program. Missouri Petroleum Products Inc. was the low bidder with our quote of \$2.37 per square yard. This price includes all necessary materials, equipment and labor to place a trap rock seal coat system with a Cationic Rapid Set Polymer Modified Emulsion (CRS2-P).

We are pleased to offer the city of West Plains the opportunity to "Piggy Back" off of the Salem Missouri contract. To take advantage of this offer, the city must be willing to have the work performed between June 15th and September 15th. The anticipated scope of work is as follows:

Place approximately 35,200 square yards of Seal Coat @ \$2.37/square yard \$83,424.00

We welcome the opportunity to partner with the city of West Plains and will await your response to our proposal. We will need a reply no later than June 15th so that we may secure the proper amount of materials for the project and that we may schedule the additional work. A copy of the Salem contract is attached for your review.

Sincerely,

Tim Parker
Manager of Seal Coat Operations
